Clinton County Human Society Receives ASPCA Grant

ASPCA Grant Makes “Tag In Time, Saves Your Canine” Program Possible

Breese, IL – The Clinton County Humane Society (C CHS) has announced that they are the proud recipients of a \$3,000 grant from The American Society For The Prevention of Cruelty To Animals (ASPCA). The grant money will fund the “Tag In Time, Saves Your Canine” Program, aimed at encouraging pet owners to ensure that their animals have proper identification tags. “Having a tag on your pet helps ensure a quick and safe return in the unfortunate event that it is lost. CCHS wanted to ensure that there is a local and affordable option for pet identification tags. We are so proud to have received assistance from ASPCA for this project,” said Deb Wesselman of CCHS.

The grant funds allowed CCILHS to purchase a tag engraving machine. With the start of the program, newly adopted pet will receive an identification tag. In addition, tags will be available for sale at the CCILHS building and at various CCHS events around the county.
