In the Clinton County Humane Society

## PET CONNECTIONS Meet Rhya !

Rhya, 3 1/-year-old female German Shepherd mix, is friendly with people and children. She likes to play and is good off leash. She keeps her outside kennel clean, but hasn't been indoors so we aren't sure if she is housebroken. Rhya needs some training, especially with other dogs and especially around food and toys. She learned to be okay with her foster dog, but took a little time to adapt. She will need a little adjustment time in a new home and is a little shy at first, but once she's settled in, she will be attached for good. She has been treated for heartworm and, though she is clear now, she will require regular heartworm prevention meds all her life. Rhya is up-to-date on shots, spayed and micro-chipped. If you are looking for a loving addition for your family, call 526-4500 for information about adopting.

Other available dogs and puppies include **Bismark**, Catahoula; **Scarlett** and **Eva**, Red Heeler mix; **Elsi**, **Shiloh**, **Presto**, **Sunbeam**, Lab mixes; **Dice**, Bearded Collie mix; **Brutus** and **Skipp**, Corgi mixes; **Rhya** and **Cokie**, German Shepherd mixes; **Kenedy**, Boxer mix; **Tinker**, Terrier mix

#### PET TAG/ MICRO-CHIP MAY BRING YOUR LOST PET HOME QUICKLY

If your pet wanders off and is wearing a tag with his name and your phone number, all it will take to get him home is a phone call.

Another good way to improve your pet's chances of getting home is to microchip him.

This tiny implant carries a number to identify your pet so the company where the chip is registered will contact you if your pet turns up at a vet, shelter or the police.

CCHS offers both tags and micro-chipping!
