## PET CONNECTIONS! AVAILABLE DOGS...

Jezebel, a three-year-old Coonhound, is a great people dog, but picks and chooses what dogs she will get along with. She seems to be very e-collar dependant and does well wearing one, but tends to be testy with other dogs when not wearing the collar. Her foster is working with her on weaning from the e-collar. Right now she would be best as an only dog. As many hounds are, she is a bit needy and is working on down and quiet control. She is crate trained and is crated when she must be left alone. Jezebel is vet checked, up-to-date on shots, spayed and micro-chipped. Call 526-4500 for information about meeting and adopting her.

Other available dogs and puppies include **Bama**, German Shepherd mix; **Puppy, Piper, Ringer**, Shepherd/Lab mix; **Dice**, Bearded Collie mix; **Jezebel**, Coonhound; **Luke**, Rottweiler mix; **Brutus**, Corgi mix; **Buttons**, Terrier mix.

## AVAILABLE CATS...

Chip, 8-week-old orange and white kitty, is adorable. He is fun and friendly, curious and playful. His coat is lovely short haired, orange and white. He is vet checked, up-to-date on shots, neutered, feline leukemia free and micro-chipped. Contact 526-4500 for adoption information.

Adoptable cats and kittens include **Wilbur**, white/buff; **Ices**, gray/white; **Blaire** and **Elsa**, black; **Jackie**, black tabby; **Opie**, orange; **Chip**, orange/wt. Most of the cats may be visited at the CCHS building during store hours.

Dogs are fostered with families and may be visited at the next Meet and Greet at K and J Chevrolet in Carlyle Saturday, Feb 7, from 10 a.m. until noon or by appointment.

All CCHS pets are vet checked, up-to-date on shots, spayed/neutered and micro-chipped. Dogs are heartworm checked, and cats are also feline leukemia negative and litter box trained. If you are interested in adopting a CCHS pet, fill out an application online at [www.ccilhs.org](http://www.ccilhs.org) or pick one up at the building. ### HEARTWORM ARTICLE

Not so many years ago heartworm was prevalent mainly in the southern United States.

Now, however, it is found in all 50 states, and southern Illinois has become a high risk zone for heartworm.

Warm, wet climates, especially along creeks and rivers, bring increased mosquito populations which spread the infection.

Mosquitoes pick up heartworm microfilaria when they bite an infected animal.

The microfilaria mature into larvae that are passed on to more animals when the mosquitoes bite them.

Over the next six months in their new host the larvae mature into heartworms which produce microfilaria, and the cycle continues.

Every season more and more animals are infected.

While heartworm treatment is expensive and difficult, it is easily preventable.

Simply providing your pet with a monthly heartworm preventative year round all of his life will protect him from infection.

Don't take a chance with your pet!

### ADOPTIONS...

Amarine will have lots of fun with the Jason Sievers family.

Kahlua went home with Cindy Vanbree.

Ferne will get plenty of attention from the Jennifer Schaible family.

Sheba can relax in her new home with Trista Dettle and Terry Haakinson.

CCHS is running the straw bale collection campaign.

Anyone who has extra bales may drop them off at 1301 Apple Lane in Breese.

Folks who need them for pet bedding during the cold weather can pick them up there.

### PET TAG/ MICRO-CHIP MAY BRING YOUR LOST PET HOME QUICKLY

An ID tag is one way to improve the chances of your getting your pet back if he gets lost.

If your pet wanders off and is wearing a tag with his name and your phone number, all it will take to get him home is a phone call.

His collar and tags could be lost, so an even better way to get him home is to micro-chip him.

This tiny implant carries a number to identify your pet so the company where the chip is registered will contact you if your pet turns up at a vet, shelter or the police.

CCHS offers both tags and micro-chipping!

### CCHS STORE

New CCHS zip hoodies in blue, bright green and turquoise are available for \$20.

The store at 1301 Apple Lane is open Sunday through Friday 10 a.m. until 2 p.m., Saturday 9 a.m. until noon, and Monday through Friday 5:30-7:30 p.m.
