PET CONNECTIONS!
AVAILABLE DOGS...

AVAILABLE CATS...

Daisy, 2 1/2-year-old Australian Shepherd mix, had way too much energy when she came into the system, but has really calmed down since she has been able to run for a couple weeks. She stays in the yard, comes when she is called, keeps her kennel clean and is starting to socialize properly with other dogs. We are still working on the cat socialization, but as smart as Daisy is she will surely come round quickly on that also. Daisy would fit best in a home with an owner that understands working dogs. She has a high work drive and has the potential to be a great farm dog. She is fearless and will do any job you tell her to do. She is OK with other dogs as long as she is introduced slowly. She is housebroken, but does not have great manners. Daisy is vet checked, up-to-date on shots, spayed/neutered and micro-chipped. Please call 526-4500 for information about meeting and adopting him.

Other available dogs and puppies include **Dice**, Bearded Collie mix; **Jezebel**, Coonhound; **Jasmine**, **James** and **Bonnie**, Am Bulldog mixes; **Rugby**, Terrier mix; **Milo**, Walker mix; and **Olaf**, Brittany mix; **Toby**, Boxer mix; **Daisy**, Australian Shepherd mix.

Tiana, 3 1/2-month-old short-haired cutie, is fun and playful. She loves to be petted and loves to explore. She is vet checked, up-to-date on shots, spayed/neutered, feline leukemia free and micro-chipped. Contact 526-4500 for adoption information.

Adoptable cats include **Blaire**, black; **Gylson**, brown tabby; **Tiana**, orange. Most of the cats may be visited at the CCHS building during store hours.

Dogs are fostered with families and may be visited at the next Meet and Greet at Jansen Chevrolet in Germantown Saturday, Mar 21, from 10 a.m. until noon or by appointment. All CCHS pets are vet checked, up-to-date on shots, spayed/neutered and micro-chipped. Dogs are heartworm checked, and cats are also feline leukemia negative and litter box trained. If you are interested in adopting a CCHS pet, fill out an application online at www.ccilhs.org or pick one up at the building. You can call 526-4500 or email ccilhs@ccilhs.org or ccilhs@gmail.com for information or an appointment. Check out our pets on www.petfinder.com or www.adoptapet.com.

PET TAG/ MICRO-CHIP MAY BRING YOUR LOST PET HOME QUICKLY

An ID tag is one way to improve the chances of your getting your pet back if he gets lost.

If your pet wanders off and is wearing a tag with his name and your phone number, all it will take to get him home is a phone call.

His collar and tags could be lost, so an even better way to get him home is to micro-chip him.

This tiny implant carries a number to identify your pet so the company where the chip is registered will contact you if your pet turns up at a vet, shelter or the police.

CCHS offers both tags and micro-chipping!

MARCH SPECIAL BASEBALL CAPS FOR \$6

The March special is baseball caps for only \$6!

The CCHS cookbook Wags, Whiskers & Wecipes costs only \$12! The cookbook contains recipes for appetizers, soups, veggies, entrees, breads, desserts, as well as treats for dogs and cats, and more!

Pet calendars are still available for \$10.

CCHS has hoodies featuring the new heart/paw logo available or \$25, as well as bright pink hoodies for \$30 and other styles of hoodies and tees.

The store at 1301 Apple Lane is open Sunday through Friday 10 a.m. until 2 p.m., Saturday 9 a.m. until noon, and Monday through Friday 5:30-7:30 p.m.

Proceeds from the store are used to help CCHS

REMEMBER--

If you stopped your pet's heartworm treatment for the winter, it's time to get him heartworm tested and back on prevention meds!

If your pet is micro-chipped, make sure your contact information is kept up-to-date. You don't want to be hard to locate if your lost pet is found!

If you are planning some landscaping or gardening, keep pets in mind.! As you make your plant, fertilizer and insect control selections, remember that many of them are dangerous for pets. Read labels and consult the ASPCA website for helpful lists of toxic plants. You can have lovely landscapes and gardens that don't endanger pets.

NOTICE

Regulations prevent the CCHS from accepting strays or drop offs. It is illegal to dump animals.
