PET TAG/MICRO-CHIP MAY BRING YOUR LOST PET HOME QUICKLY

An ID tag with his name and your phone number may be all it will take to get your lost pet home.

His collar and tags could be lost, so an even better way to get him home is to micro-chip him.

This tiny implant carries a number to identify your pet so if your pet turns up at a vet, a shelter or the police they can track him back to you.

CCHS offers both tags and micro-chipping!

SHOP CCHS

CCHS carries a great variety of pet items.

For dogs we carry treats, leashes, collars, beds, toys, anxiety wraps and bowls, as well as treats, collars and toys for cats.
