PET TAG/ MICRO-CHIP MAY BRING YOUR LOST PET HOME QUICKLY

If your pet wanders off and is wearing a tag with his name and your phone number, all it will take to get him home is a phone call.

Remember “A tag in time saves your canine” or feline for that matter.

Another good way to improve your pet’s chances of getting home is to microchip him.

This tiny implant carries a number to identify your pet so the company where the chip is registered will contact you if your pet turns up at a vet, shelter or the police.

STOCK 4 PETS

You can help CCHS by purchasing pet items at Stock4pets.com.

Stock4pets.com carries pet food, treats, toys and more at a 10% discount for shoppers and will return 10% in credit to the CCHS if shoppers just fill in CCHS’s customer #22570 when they check out the first time.

Shipping is \$4.95 on orders under \$50 and free on orders over \$50.

Take a minute to look over the items at www.stock4pets.com and see if there is a bargain for you, and you can help CCHS at the same time.

WE NEED YOUR HELP!

CCHS is entirely run by volunteers. We hope you will find a little time each month to volunteer at CCHS and make it possible for us to keep our building open and to care for our cats that live there or our dogs that visit. Be a part of the process!

Check your calendars and contact ccilhsvolunteer@gmail.com or call 526-4500 if you find a little time available, especially evenings from 5:30 until 7:30 pm.

Feel free to stop by anytime and ask what you can do to help.

VOLUNTEERS ALSO NEEDED...

CCHS needs volunteers for other services besides the building.

Extra handlers and helpers are always welcome at Meet and Greets, parades and other CCHS events.

CONSIDER FOSTERING

Fostering is a big commitment, but worth the effort. The more fosters we have, the more dogs we can help.

Fosters house and care for pets, take them to vet appointments, and bring them to CCHS events and Meet and Greets. Whenever possible, fosters help with basic training, including housebreaking, crate-training, leash walking.

If you have room in your home and your heart, volunteer to foster and see how good it feels to help a homeless animal get a second chance.

SURRENDERING YOUR PET...

If your health, finances or housing makes it necessary for you to surrender your pet, CCHS may be able to help.

Call the CCHS at 526-4500 to start the process.

You must provide your pet’s medical history from your vet, a photo and a completed surrender application with information about your pet’s personality and training, and your pet will be tested for adoptability.

The surrender form is available online at www.ccilhs.org or at the building at 1301 Apple Lane in Breese.

If all goes well, he will be added to the CCHS roster, and the search for his new family will begin.

There is no charge for surrendering your pet.
