## REMINDER

Do not buy pets online! Anybody can post a picture of a beautiful home with pictures of beautiful parent dogs or cats and claim that this is where the pets are produced. So ask if you may visit the facility where the pet is and see the parents of the pet. If you can't actually go there to get your pet, it is likely that you are dealing with a puppy mill pet. Buying a puppy mill pet supports puppy mills. Millions of pets end up in shelters every year, and millions are euthanized simply because there are not homes for them. Shelters are full of healthy wonderful pets of all kinds. Please consider adopting your next pet from your local shelter!

## HELP CCHS BY SHOPPING ON AMAZON SMILE

You can help CCHS by simply shopping on AmazonSmile. Yay!

When you shop Amazon, use [www.smile.amazon.com](http://www.smile.amazon.com). Everything is the same—same products, same prices.

By simply selecting Clinton County Humane Society at checkout, a portion of your purchase amount will be sent To CCHS. How easy is that?

It won't cost you a thing, but will mean a lot to CCHS pets.

## PET TAG/MICRO-CHIP MAY BRING YOUR LOST PET HOME QUICKLY

An ID tag with his name and your phone number may be all it will take to get your lost pet home.

His collar and tags could be lost, so an even better way to get him home is to micro-chip him.

This tiny implant carries a number to identify your pet so if your pet turns up at a vet, a shelter or the police they can track him back to you.

CCHS offers both tags and micro-chipping!

You must provide your pet's medical history from your vet, a photo and a completed surrender application with information about your pet's personality and training.

The surrender form is available online at [www.ccilhs.org](http://www.ccilhs.org) or at the building at 1301 Apple Lane in Breese.

There is no charge for surrendering your pet.

CCHS is prohibited from taking strays.

## YOU CAN HELP!

You can support the work of the CCHS by joining, fostering, donating, volunteering, purchasing CCHS merchandise, supporting fundraising events or sponsoring a pet.

Right now we really need fosters and volunteers to man shifts at the building/store. The more fosters we have, the more dogs we can help.
