REMINDER

It is that time of year when lots of wild babies are growing up. If you come across wild critters like baby birds or squirrels that have fallen from their nests, it is best just to leave them alone. It is likely that the parents will look after them after you have gone. Contact Animal Control if you have a concern about wild animals in your space.

HELP CCHS BY SHOPPING ON AMAZON SMILE

You can help CCHS by simply shopping on AmazonSmile. Yay!

When you shop Amazon, use www.smile.amazon.com. Everything is the same—same products, same prices.

It won't cost you a thing, but will mean a lot to CCHS pets.

PET TAG/MICRO-CHIP MAY BRING YOUR LOST PET HOME QUICKLY

An ID tag with his name and your phone number may be all it will take to get your lost pet home.

His collar and tags could be lost, so an even better way to get him home is to micro-chip him.

This tiny implant carries a number to identify your pet so if your pet turns up at a vet, a shelter or the police they can track him back to you.

CCHS offers both tags and micro-chipping!

SURRENDERING YOUR PET

If your health, finances or housing makes it necessary for you to surrender your pet, CCHS may be able to help.

You must provide your pet's medical history from your vet, a photo and a completed surrender application with information about your pet's personality and training.

The surrender form is available online at www.ccilhs.org or at the building at 1301 Apple Lane in Breese.

There is no charge for surrendering your pet. CCHS is prohibited from taking strays.

YOU CAN HELP!

You can support the work of the CCHS by joining, fostering, donating, volunteering, purchasing CCHS merchandise, supporting fundraising events or sponsoring a pet.

Right now we really need fosters and volunteers to man shifts at the building/store. The more fosters we have, the more dogs we can help.
