REMINDER

Fido may enjoy hanging his head out of the car window, but it isn’t healthy for him. That much wind dries out the membranes in his nose, mouth and ears. Bugs or rocks (the kind that crack windshields) can do serious damage if they hit a pet. Fido may not know what is good for him, but his owner should. Keep pets inside the car and just crack a window so he can enjoy the many smells outside.

REMEMBER

If you find a lost pet, the best thing you can do is call Animal Control. The pet owners will not likely be looking for their pet at your house, but they would likely call AC to report their lost pet. Thanks to those of you who care enough to help!

SURRENDERING YOUR PET

If your health, finances or housing makes it necessary for you to surrender your pet, CCHS may be able to help.

You must provide your pet's medical history from your vet, a photo and a completed surrender application with information about your pet's personality and training.

The surrender form is available online at www.ccilhs.org or at the building at 1301 Apple Lane in Breese.

There is no charge for surrendering your pet. CCHS is prohibited from taking strays.

YOU CAN HELP!

You can support the work of the CCHS by joining, fostering, donating, volunteering, purchasing CCHS merchandise, supporting fundraising events or sponsoring a pet.

Right now we need fosters to care for our dogs until they find their permanent families. The more fosters we have, the more dogs we can help. Step up!
