THINK ABOUT ADOPTING A SHELTER DOG

Too many people think shelter pets are pets that nobody wants because they have issues. That may be true in some cases. But most of them are loving and loyal, they just need someone to care enough to help them learn correct behaviors. Some pets are in shelters through no fault of their own, but because people didn't have time or have moved to an apartment that doesn't allow pets or are experiencing serious financial or health issues. Shelters have mixed breeds and pure breeds, large and small, old and young pets who need homes. Please consider a shelter dog when you look for your next pet.

YOU CAN HELP!

You can support the work of the CCHS by joining, fostering, donating, volunteering, purchasing CCHS merchandise, supporting fundraising events or sponsoring a pet.

Right now we need fosters to care for our dogs until they find their permanent families. The more fosters we have, the more dogs we can help. Step up!
